ISASP Coordinator Overview Training

In preparation for the Spring 2019 Iowa Statewide Assessment of Student Progress (ISASP), Pearson will provide a virtual training to support district and/or school coordinators.

The agenda will include an overview of the ISASP Portal, Pearson's assessment platforms (PearsonAccess^next and TestNav), task coordinators can complete now and in the near future, and high-level information on future tasks and next steps.

Select this link to register for a virtual training. You will receive a confirmation email after you complete your registration. The meeting link and number will also be included in your confirmation email.

The training is limited to the first 200 participants for each session. The session will be recorded and posted to the ISASP Portal within 2-3 business days.
