

Directions for Reading (Large Print)

Start Testing

SAY

We have scheduled _____ minutes for testing today.

Put everything away before you begin testing. Only your test book, pencil, and scratch paper may be on your desk during testing.

You may not access your cell phone or other devices during testing. Do not talk or work with other students.

[Distribute testing materials, if not already provided.]

Write your name on your test book and scratch paper.

[Assist any students, as needed.]

[Students using large print test booklets answer directly in their booklets. There is no separate answer document.]

SAY

Today you will take a Reading test.

Open your test booklet and read the directions. When you have finished, look up at me so I know you are done.

[Wait for the students to read the directions.]

SAY

You may begin your test. Remember to answer the questions directly in your test booklet. If you have questions, raise your hand.

[During testing, circulate the room among the students to make certain they are navigating the test environment correctly.]

End Testing

SAY

[When you are ready to end testing, announce the end of the testing period.]

Stop testing. Testing time has now ended. I will now collect your materials.

- Collect student testing materials, including any scratch paper.
- Return all test materials to your DAC or SAC. Report any missing materials and absent students.
- Report any testing irregularities to your DAC or SAC.

Directions for Language/Writing (Large Print)

Start Testing

SAY

We have scheduled _____ minutes for testing today.

Put everything away before you begin testing. Only your test book, pencil, and scratch paper may be on your desk during testing.

You may not access your cell phone or other devices during testing. Do not talk or work with other students.

[Distribute testing materials, if not already provided.]

Write your name on your test book and scratch paper.

[Assist any students, as needed.]

[Students using large print test booklets answer directly in their booklets. There is no separate answer document.]

SAY

Today you will take a Language/Writing test. First you will take the Language Test. During this session, you may only work on the Language test.

Open your test booklet and read the directions. When you have finished, look up at me so I know you are done.

[Wait for the students to read the directions.]

SAY

- Collect student testing materials, including any scratch paper.
- Return all test materials to your DAC or SAC. Report any missing materials and absent students.
- Report any testing irregularities to your DAC or SAC.

Completing the Large Print Administration

Prior to returning test materials, administrators will need to ensure that the answers of students who have taken the large-print version of the ISASP are transcribed from their test booklet onto an ISASP Answer Document. This will allow for the students' tests to be processed.

Scribes performing this task should follow the Scribe Guidelines given in Appendix D of the ISASP [Accessibility and Accommodations Manual](#).
